QUALITY IS GUARANTEED

### GENERAL INSTRUCTIONS:

Freezone Glyphosate 680 Granular Tuffweed is suitable for homes and gardens, commercial and industrial areas, and agricultural situations. It is perfect for eradicating grasses, weeds and woody weeds in large areas such as driveways, fencelines and to treat the ground before planting or laying rocks, pavers etc. It is also effective to spot treat weeds in garden beds, on lawns, in pergola areas etc.

**CAUTION:** DO NOT allow spray to contact or drift onto plants that you do not want killed. DO NOT allow children or pets to enter treated areas until the spray has dried. Accidental contact must be hosed off immediately to reduce injury to plants. DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds. DO NOT plant seedlings into treated soil for 7 days after application.

**STORAGE AND DISPOSAL:** Store in the closed, original container in a dry, cool, well-ventilated area out of direct sunlight, out of the reach of children. Dispose of empty packaging by wrapping in paper, placing in plastic bag and putting in garbage.

**SAFETY DIRECTIONS:** Harmful if swallowed. Will irritate the eyes and skin. Avoid contact with eyes and skin. When using the product wear rubber gloves. If product in eyes wash it out immediately with water. Wash hands after use. After each day's use wash rubber gloves.

### FIRST AID

If poisoning occurs contact a doctor or poisons Information Centre. Phone Australia 13 11 26

**MATERIAL SAFETY DATA SHEET:** Additional information is listed in the Material Safety Data Sheet.
